## Cash Drawer Model 1915

888.508.6824

The cash drawer 1915 is a POS hardened choice, that does not sacrifice quality or dependability. The 1915 is competitively priced and includes features such as multifunction lock and drawer status reporting found only in tier one models. The Model 1915 is designed to fit any of Touch Dynamic's systems with a thermal printer next to it, all on top of the cash drawer, minimizing the counter space needed for additional peripherals.

### Key features of the 1915

**TD Logo to match TD terminals and printers**

**MultiPro Interface** - It adapts to most POS platforms

**Four function lock** - It offers several levels of security: locked closed, locked open, online, manual open

**Durable metal bill weights** - Easy comfortable lift

**Till options** - Many till options to fit any customer needs

**2-media slots**

### Model 1915 black painted dimensions:

18.8 x 15.2 x 4.3 inches

478 x 386 x 110 millimeters

standard 5 x 5 removable till
